IQRF Conference 2016

IQRF® Alliance
Do It Wireless

	Wednesday 25th May			
	Time	**Presentation**	**Company**	**Presenter**
	8:30 – 9:00	Registration		
Key Notes	9:00 – 9:15	End customer expectations from Smart Home and Smart Cities	**IQRF Alliance**	**Šimon Chudoba** CEO
	9:15 – 10:00	Internet & Things. Nirvana is Far. And Close.	**MICRORISC**	**Vladimír Šulc** CEO
	10:00 – 10:15	Smart Home: Making it a reality	**O2 Czech Republic**	**Jindřich Fremuth** Director, Consumer Division
	10:15 – 10:30	Understanding Smart Cities	**O2 IT Services**	**Václav Provazník** Statutory Representative and Director of Commercial Division
	10:30 – 10:45	Smart Cities and IoT cloud solutions	**tcp cloud**	**Adam Skotnický** CEO
	10:45 – 11:00	Secure performance for business changing intelligence	**Intel** **AAEON TECHNOLOGY EUROPE**	**Petr Ulvr** Business Development Manager **Maciej Talalaj** Sales Manager
	11:00 – 11:15	Using Windows 10 IoT Core and Azure to manage, collect and visualize data from IQRF GW	**Microsoft**	**Martin Šimeček** Technical Evangelist
	11:15 – 11:30	Watson IoT in IBM Bluemix live demo	**IBM**	**Jaroslav Straka** Cloud Specialist **Petr Leština** Cloud Unit Competency Lead
	11:30 – 12:30	Photo + Lunch Break		
IQRF Alliance Members	12:30 – 12:45	Plug and Play - IQRF in Practice	**EPS Group**	**Zoltan Gyarmati** co-owner
	12:45 – 13:00	Environmental Monitoring	**Findlay Irvine**	**Keith Hutchin** Senior Software Engineer
	13:00 – 13:15	Foxtrot - node of SmartHouse, SmartCity, SmartGrid	**Teco**	**Jaromír Klaban** Member of the Board
	13:15 – 13:30	InteliGlue - the Data Platform for Internet of Things	**Inteliments**	**Michal Půža** Director Business Development
	13:30 – 13:45	IQ Home EcoSystem – Monitor and control your environment over DPA and MQTT protocols	**IQ Home**	**Jozsef Kopjak** CEO
	13:45 – 14:00	More perceptions smarter control	**Protronix**	**Miloš Žáček** Managing Director
	14:00 – 14:15	DATmo radioCONTROL office DALI and office 1-10V, new version of DATmo radioCONTROL outdoor	**DATmoLUX**	**Štefan Kormaňák** Sales Representative
	14:15 – 14:30	Enabling IOT	**Microchip Technology**	**Harald Weidinger** Key Client Manager
	14:30 – 15:15	Coffee Break		

	Time	Presentation	Company	Presenter
Promising projects	15:15 – 15:30	Intruder and Smoke IQRF compatible detectors	**Alarm2GSM**	**Tomaž Hribar** CEO
	15:30 – 15:45	Methods and tools for measurement of real power consumption of battery powered RF devices	**H TEST**	**Jiří Šmídek** Sales Manager
	15:45 – 16:00	Scalable Real-time Location System in automotive manufacturing - powered by IQRF	**Sewio**	**Milan Šimek** CEO
	16:00 – 16:15	Lights and localization	**Aledo**	**Michal Růžička** Main Software Developer
	16:15 – 16:30	Energy harvesting 2016	**ISM Enigma**	**David Deak** co-founder
Networking	16:30 – 18:00	Afternoon Networking and Market Place		
	18:00 – 18:30	Transport to the boat		
	18:30 – 21:30	Networking party on the boat		
	21:30	Afterparty		

		Thursday 26th May		
	Time	**Presentation**	**Company**	**Presenter**
	8:30 – 9:00	Registration		
Technology	9:00 – 10:00	IQRF Technical Workshop - security, IQRF Zones, DPA, IDE	**MICRORISC**	**Vladimír Šulc** CEO **Hynek Syrovátka** CTO
	10:00 – 10:30	IQRF Zones Hands-On-Training	**IQRF Alliance**	**Šimon Chudoba** CEO
	10:30 – 11:00	Training: New Generation of IQ Home Gateways – Manage your gateway over MQTT protocol	**IQ Home**	**Jozsef Kopjak** CEO
	11:00 – 11:15	Faculty of Informatics and Management UHK - professional and research profile	**University Hradec Kralove, Faculty of Informatics and Management**	**doc. Mgr. Tomáš Kozel, Ph.D.** vice-dean for study affairs
	11:15 – 11:30	Faculty introduction	**Czech Technical University Faculty of Electrical Engineering**	**prof. Ing. Pavel Ripka, CSc.** Dean
	11:30 – 12:00	IQRF Smart School and IQRF Wireless Challenge II	**MICRORISC**	**Ivona Spurná** IQRF Smart School Manager
	12:00 – 13:00	Lunch Break		
Closing	13:00 – 14:00	Discussions, individual meetings		
	14:00	End of the IQRF Conference 2016
