Identify and block spam calls immediately

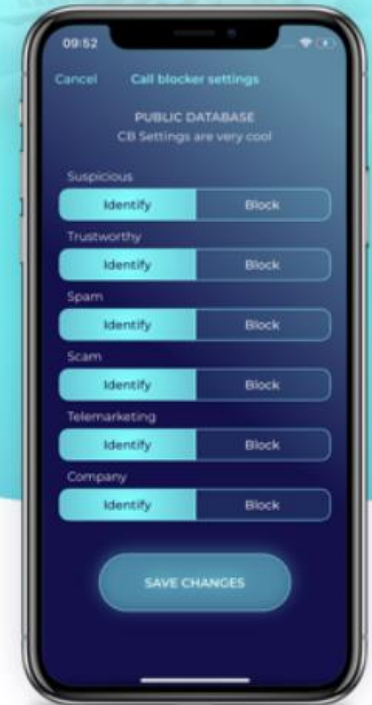

Look up any number against our database

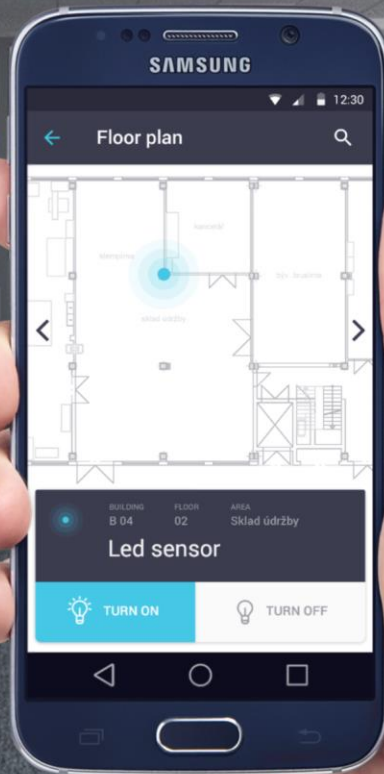

Create a personalized blacklist

Customize your call blocking settings

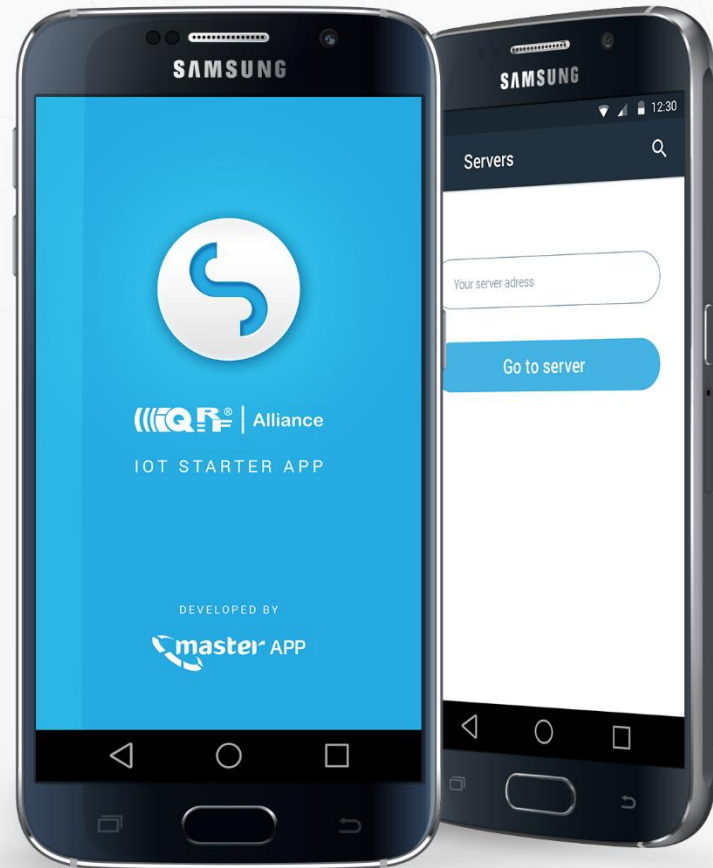

Exclusively for IQRF **Starter kit**

IOT **STARTER APP**

DEVELOPED BY

Latest features

- **SmartConnect** – QR scanning
- Easy **bonding & unbonding**
- All IQRF devices support
- 18 standards

The Vision

PROTECTING LIVES AND CRITICAL OPERATIONS

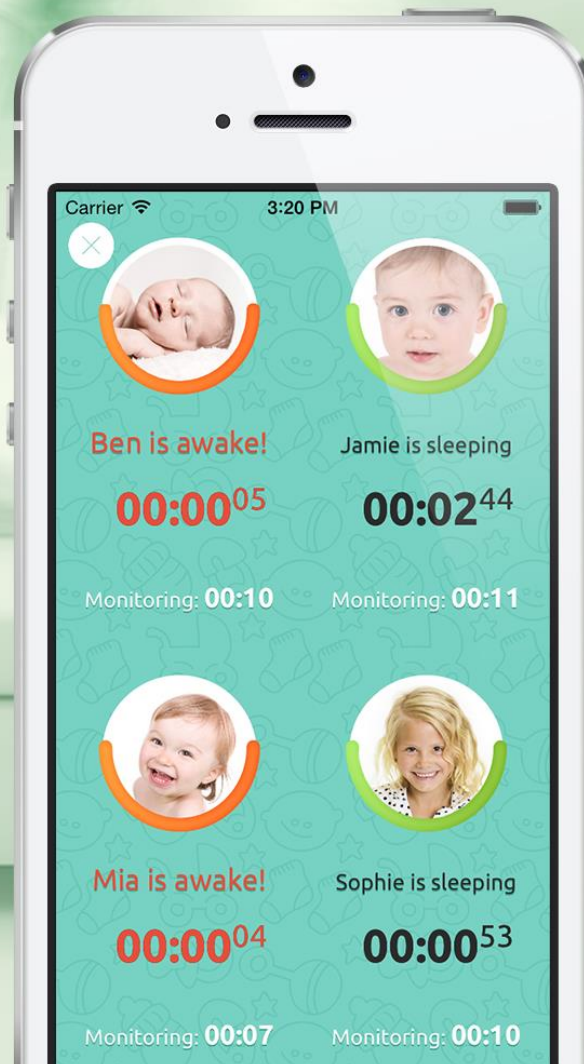

An emergency wristband with SOS button. Continuously monitors heart-rate, body temperature, and is even equipped with a shock sensor. When the limit values are exceeded, surveillance personnel are notified.

Always keeps
you in touch
with your baby

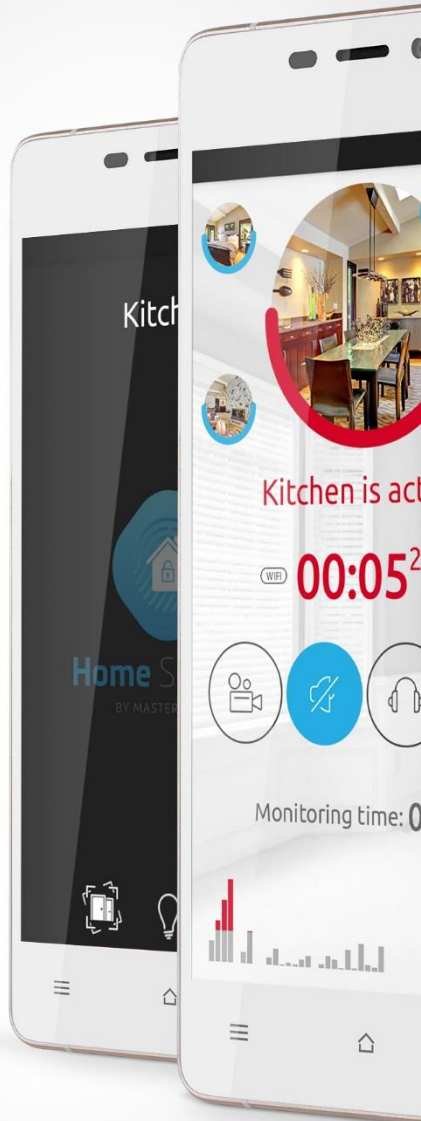

Monitor up to
4 children
at the same time!

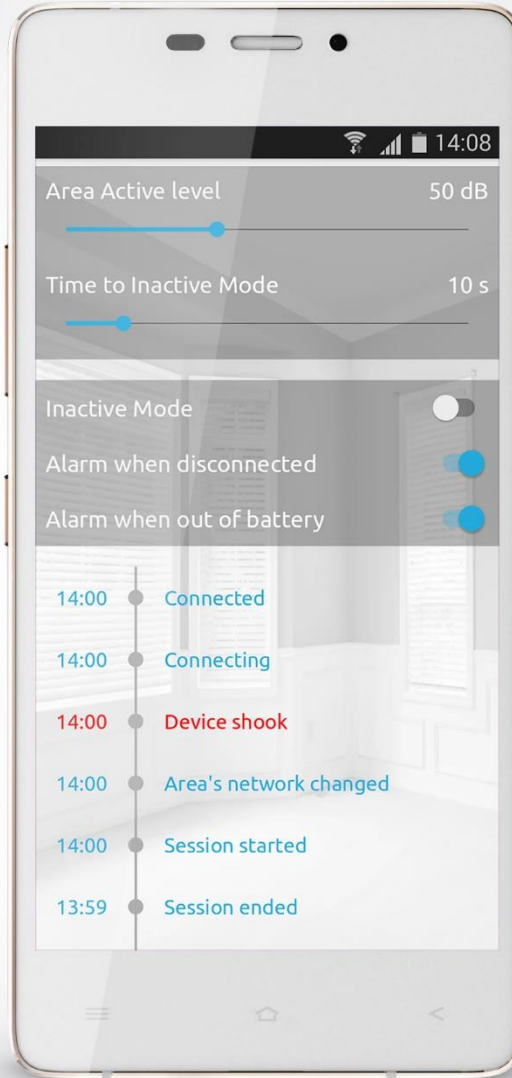

Securely encrypted
Child Unit
stays with a baby

Get HOME SECURITY on your phone
